

# #BigCelebration

Let's communicate  
from the Heart!!!

## Why Giraffe?

→ **Giraffes have the biggest heart of any mammal;**

→ **They have no vocal chords so they are GREAT listeners;**

→ **They wrap their tongues around thorns;**

→ **They are tall so they see a bigger view.**

# What if we all commit to communicating with kindness and compassion for a whole day?

Make this possible by learning to speak Giraffe

## When / Where
